Questions:

What education, skills, or experience would you bring to this position?

Being from a different background and culture, I want to try and include as much innovation as I can in my work. The students would definitely be my first priority and having worked with various Organizations at different posts, I think I would be able to balance the needs of the students with the complete extent of whatever this college has to provide.

Describe specific goals, ideas, or programs you would strive to implement if elected to this position.

If I am elected to this position, I would work to implement the following ideas:
1. Increase autonomy by conducting regular surveys regarding the services that are provided to Students.
2. Have suggestion boxes throughout the college, welcoming suggestions from students on how to improve the college.
3. Conduct a monthly "Awareness Day" where the students can get to know about the various Student services like Scholarships, The Transfer Center and The Career Center.
