Moorpark College Financial Aid Office Direct Loan Obligation and Responsibilities

If you do not understand or have questions about any of the statements, you may make an appointment to meet with a Financial Aid Specialist.

I have read and I understand the conditions of borrowing a Federal Direct Loan for attendance at Moorpark College and I have read and I understand that the Financial Aid policies are available on the Moorpark college website.

I acknowledge that loan funds will be used to assist in meeting my educational costs. Loan proceeds may not be used to purchase or lease an automobile, go on vacations, or other non-educational expenses.

I understand that if I am a first year, first time loan borrower, my loan funds will not be disbursed until at least 30 days after the start of the new semester.

I understand I must be enrolled in and attending six or more eligible, degree applicable units to receive loan funds and I must pass a minimum of 6 degree applicable units each semester.

I understand that the actual amount of the loan may be less than the amount I have requested due to my loan eligibility and grade level.

I understand that I must meet ALL Satisfactory Academic Progress (SAP) standards each semester to be eligible to receive a loan. Repeat coursework rules apply as do attending hours. Failure to comply will result in loss of eligibility and any undisbursed portion of my student loan will be canceled.

I understand that Federal regulations state that effective July 1, 2013, first time borrowers who've exceeded their maximum timeframe do not qualify for Subsidized Loans (loans with the lowest interest rate). Only "Unsubsidized" Loan funds may be offered to first time borrowers who've exceeded the maximum timeframe.

I understand that eligibility for subsidized loans is limited to 150 percent of my program if I am a new borrower with a zero balance as of 07/01/2013.

Time Limitation on Direct Subsidized Loan Eligibility for First-Time Borrowers on or after July 1, 2013.

I understand that Financial Aid staff may use professional judgment to decline or reduce the loan requested for students at risk of default on a case-by-case basis per HEA Sec. 479(A)(c), 34 CFR 685.301(a)(8), DCL GEN 11-07. In circumstances when professional judgment is used, a written explanation will be provided to the student.

I understand that in response to default prevention and management, I may be required to meet with Financial Aid staff prior to the loan certification if I have (had) academic performance difficulties including but not limited to withdrawing or failing to complete course(s) and/or being placed on Warning or Probation SAP status for Financial Aid. I understand academic performance from schools other than Moorpark College may be taken into consideration when determining if I must meet with financial aid staff.

I understand Moorpark College is committed to default prevention and management and strives to limit loan defaults and the debt of students. A high loan default rate may affect all Moorpark College students' eligibility for grants, loans, and Federal Work Study.

I understand that my total financial aid awards cannot exceed my cost of attendance/budget. If additional grants, scholarships or other awards are added after a loan has been awarded, but prior to disbursement, my loan amounts may be reduced to accommodate the new awards, or the new awards may not be offered.

Moorpark College Financial Aid Office

Direct Loan Obligation and Responsibilities

If you do not understand or have questions about any of the statements, you may make an appointment to meet with a Financial Aid Specialist.

I understand that I may be required to complete enhanced loan entrance and/or exit counseling and financial literacy education on an annual basis as a borrower and/or upon reaching a specific level of total loan debt.

I understand that fees will be deducted from each loan disbursement by the Department of Education.

I understand that for Direct Subsidized and Unsubsidized loans with a first disbursement on or after October 1, 2015, and before October 1, 2016, the loan origination fee will be 1.068% of the principle loan amount. For Direct Subsidized and Unsubsidized loans with a first disbursement on or after Oct. 1, 2016 and before October 1, 2017, the loan origination fee will be changed from 1.068% to 1.069% of the principle loan amount. I understand that loans disbursed on or after 7/1/16 and before 7/1/17 are subject to a 3.76% interest rate.

I understand that interest on Subsidized loans is paid by the taxpayers while I am enrolled in and complete at least six units each term.

I understand that interest on an unsubsidized loan will begin to accrue immediately after the first disbursement. I understand that while I am in college, if I choose not to pay the interest as it accrues, this will increase the total amount that I have to repay.

CONSEQUENCES OF DEFAULT (not paying your student loans) Your loans may be turned over to a collection agency and you will be charged collection costs. These may include court and attorney fees.

Your defaulted loans will appear on your credit history for up to 7 years after the default is paid. The U.S. Department of Education reports defaulted loans to TransUnion, Equifax, and Experian.

You can be sued in Federal District Court for the entire loan amount, your federal and state income tax refunds may be intercepted, and your wages may be garnished.

You may be unable to obtain a professional state license, you may not be approved for a car loan or for a mortgage loan, and you may be turned down for federal/state jobs.

You will become ineligible for federal financial aid programs like Pell Grant, SEOG Grant, and Federal Student Loans.

I understand I must repay my loan according to my repayment schedule even if I do not complete my academic program, drop out, I am dissatisfied with the education I received or I am unable to find employment after I graduate. I will promptly contact my Direct Loan Servicer(s) and the Financial Aid Office when I graduate or withdraw from school, carry less than six units per term, or change my name and/or address.

I understand that failure to meet the terms of loan repayment may require the entire amount of the loan, plus collection and legal costs to become repayable immediately.

I understand that if my student account has a balance from tuition charges or other fees, that this balance will be deducted from my student loan disbursement. If my student loans exceed the total charges, my account will have a credit balance and a refund will be made to my VCCCD debit card or refund preference I selected.

I understand that inaccurate or incomplete loan application information will delay loan processing.

If you ask your school to cancel all or part of your loan outside the timeframes described above, your school may process your cancellation request, but it is not required to do so.
