You have been assigned a Primary College through the Ventura County Community College District (VCCCD). The Primary College is the college from which you will receive your financial aid. If your Admissions Application matched with any of your college preferences on your FAFSA, your Primary College remained the same. **However, if the code did not match, your Primary College was assigned based on the Title IV School Code you listed first on your Free Application for Federal Student Aid (FAFSA).**

You may request that your Primary College be changed by completing the information below: (Please mark all boxes)

- I authorize VCCCD to change my Primary College from _____ to _____.
- I understand VCCCD cannot change my Primary College once I have received my financial aid funds for the term, regardless of enrollment changes during the entire academic year, and that I can only request to change my Primary College one time per academic year.
- I have added _____ College to my FAFSA.
- *I have completed and attached the Program of Study Declaration. **Your educational goal must be a program offered by your primary college.**

**Some certificate and other programs may not meet eligibility requirements for federal and/or state financial aid.*
