The Ventura County Community College District

As part of the 110-campus California Community College system, the Ventura County Community College District offers programs in general education for transfer to four-year universities, occupational and vocational fields, developmental programs, guidance assistance, community service and continuing education programs, and provides opportunities to engage in co-curricular campus activities. The District currently serves over 38,000 students through its three colleges: Moorpark College, Oxnard College, and Ventura College.

The District is located in Ventura County, approximately 50 miles north of Los Angeles. It is bordered by the Santa Barbara County to the northwest, Kern County to the north, and Los Angeles County to the south. The sandy beaches of the Pacific Ocean border most of the western edge of Ventura County.

The District Administrative Center is located in Ventura and serves Ventura College, founded in 1925, which makes it one of the oldest community colleges in California; Moorpark College, which was established by Board of Trustees action in 1963 and opened its doors four years later and is situated on 134 acres in the foothills between Moorpark and Simi Valley; and Oxnard College, which was established in 1975 and serves the cities of Oxnard, Camarillo, and Port Hueneme.

The image shows the front cover of the "Personnel Commission Annual Report 2012-2013" for the Ventura County Community College District. The cover is framed by a decorative border featuring the names of the three colleges: MOORPARK, OXNARD, and VENTURA. At the top, the text "VENTURA COUNTY COMMUNITY COLLEGE DISTRICT" is written in a circular pattern. In the center is a circular seal with a stylized sailboat on waves. Below the seal, the text "Personnel Commission Annual Report" is printed, followed by the year "2012-2013". To the right of the main title, there are four smaller photographs: a scenic view of hills and buildings, a male student looking down at a book, a female student in a lab coat working in a lab, and a tall white clock tower with the words "OXNARD COLLEGE" on it.

Ventura County Community College District Merit System

California Assembly Bill 999, known as the Merit System, was established and enacted into law in 1935. Through the Education Code, the bill provides statutory protection to classified employees against politically or personally motivated employment, promotion, discipline, or dismissal actions.

The Ventura County Community College District's Merit System and its Personnel Commission were established in 1962 when the District formally separated from the Ventura Unified School District.

The Merit System consists of rules and procedures administered by the Personnel Commission. Education Code Section 88080 states the rules and regulations adopted by the Personnel Commission shall apply to all classified employees and provides procedures to be followed by the Governing Board as they pertain to the classified staff.

The Merit System assures fair and equitable treatment in all personnel management matters without regard to politics, race, color, religion, national origin, sex, marital status, age, or disabling condition, and with proper regard for individual privacy and constitutional rights.

The Personnel Commission prescribes, amends, and interprets rules and regulations to ensure the efficiency of the classified service. It conducts recruitments from all segments of society and advancement based on ability, knowledge, and skill. It also provides for the selection and retention of classified employees upon a basis of merit and fitness.

Finally, the Personnel Commission maintains a classification plan that groups positions into classes on the basis of duties and responsibilities assigned by the Governing Board.

The Personnel Commission is proud of its online application process. Job seekers may apply for any open positions using links directly from VCCCD's web site:
