Welcome to Ventura County Community College District! The VCCCD Police Department strives to promote a safe campus environment conducive to academic achievement through the cooperation of students, faculty, and staff. With your help in reporting suspicious activities or crimes, I am confident we can achieve this goal. We encourage the prompt reporting of any incident that threatens the safety, health or rights of our campus community.

The information contained in this report is made available to you in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, referred to as the Clery Act. This act requires that all Title IV institutions prepare, publish and distribute an annual security report which contains, among other information, 3 years’ worth of the institution’s crime statistics and current security policies. The report is available at [www.vcccd.edu/annual_sec_rpt](http://www.vcccd.edu/annual_sec_rpt) and in hard-copy format at any of the three campus police stations on the Moorpark, Oxnard and Ventura campuses.

We remain committed to providing the highest levels of service and safety. On behalf of the District, Colleges and our officers, thank you for helping to make our campuses safe. If you have questions or concerns, please feel free to contact my office at (805) 652-7751, Monday through Friday, from 8:00 a.m. – 5:00 p.m.

Richard DeLaO
Chief of Police

The Ventura County Community College District Police Department employs sworn police officers who are vested with full arrest authority in the state of California pursuant to California Penal Code 830.32 and California Education Code 72330. The Police Department adheres strictly to the State of California Police Officer Standards and Training (POST) guidelines. The Department is charged with providing general law enforcement, security, and parking/traffic control for students, faculty, staff and visitors on all properties owned and operated by Ventura County Community College District. The Department is the primary respondent for campus emergencies and reports of criminal activity on campus.

Each of the three Campus Police Stations operates from 7:00 a.m. – 12:00 a.m. Monday through Friday. Campus Police can be reached at the following numbers:

Moorpark College (805) 378-1455
Lt. Greg Beckley, police supervisor
Oxnard College (805) 986-5805
Lt. Cesar Romero, police supervisor
Ventura College (805) 289-6486
Sgt. Mike Pallotto, police supervisor

The VCCCD Police Department contracts with the California State University Channel Islands (CSUCI) Police Department to provide 24-hr dispatch services for each of our three campuses. Dispatchers are POST-certified professionals who answer calls from each of the campuses’ direct phone lines, as well as 9-1-1 and all emergency blue phones located on each of the campuses.

The VCCCD Police Department cooperates fully with local, state and federal agencies. This cooperation enables the Department to share information regarding potential threats, as well as to stay informed regarding criminal activity perpetrated in the neighborhoods around the campuses. The Department identifies all crimes in categories of Part I or Part II crimes. Part I crimes include crimes such as murder, rape, aggravated robbery, etc. In most cases, the nature of these crimes exceeds the Department’s resources to properly investigate; therefore, the Department maintains Memorandums of Understanding (MOU) with each of its three neighboring police agencies. Part II crimes, such as assault, drug/alcohol violations, vandalism, disturbing the peace, hate crimes, etc., are handled by the VCCCD police.
District Police Mission Statement

We are committed to providing a safe and secure campus environment for our students, faculty, staff and visitors, as well as protecting all facilities, property and assets owned and operated by Ventura County Community College District. We strive to provide a peaceful learning environment in which research, education and public service can grow.

Core Values

To protect the campus community through proactive policing;

To foster dignity and respect in all interactions;

To develop a community-oriented partnership to resolve issues and problems with our students, faculty and staff;

To endorse the police officers’ Code of Ethics, to impartially enforce the law, to respect the rights of individuals, and to encourage voluntary compliance with the rules, regulations, and laws through equal and impartial application of enforcement.

Jeanne Clery Disclosure Of Campus Security Policy And Campus Crime Statistics Act

The “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act” (20USC § 1092(f)) is the landmark federal law, formerly known as “The Student Right-to-Know and Campus Security Act,” that requires colleges and universities across the United States that receive federal funding, to disclose reported instances of criminal activity on their campuses. The law specifically requires the reporting of violent crime, burglary, and motor vehicle theft, as well as a summary of arrests, and disciplinary referrals for liquor law, drug abuse, and weapons violations.

The Ventura County Community College District Police Department annually distributes statistics on the reported occurrences of offenses listed on the following report, at each college campus.

Please read it carefully and use the information to help foster a safe environment for yourself and others on campus. VCCCD has been fortunate in experiencing very few serious crimes, but the Police Department is aware of the possibility that a serious crime or disaster could occur at any time. We encourage students, faculty and staff to report all suspicious activity and to take responsibility for adopting measures to protect themselves and their possessions.

The “Violence Against Women Reauthorization Act” 2013 (VAWA)

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA.) This law amended the Clery Act and created statutory changes requiring institutions to compile statistics for certain crimes that are reported to campus security authorities or local police agencies, including incidents of sexual assault, domestic violence, dating violence, and stalking. Additionally, institutions will be required to include certain policies, procedures and programs pertaining to these crimes in their Annual Security Reports. These changes will be reflected in the 2014 annual security report.

Crime Prevention Tips

- Theft can occur anywhere. Watch your property and be observant of persons around you, especially when studying in libraries, working out in public fitness areas, or in the cafeteria.
- Lock your vehicle! Don't leave valuables inside and in plain sight.
- Avoid walking alone, especially during late hours. You may call Campus Police and request an escort to your vehicle. Have the local Campus Police phone number handy. MCPD – 805-378-1455; OCPD – 805-986-5805; VCPD – 805-289-6486.
- Report suspicious situations, such as persons loitering in parking areas or unoccupied areas.
- Don't assist strangers—call the Police. If someone needs help, we will respond to assist.
- Park legally and drive safely. Citations will be issued to those who do not comply with traffic laws. This is to ensure safety for all students, employees, and visitors on campus.
To Report an Emergency:

1. Give your name, telephone number and location (parking lot, building number, vehicle information, etc.)
2. Give clear and accurate information.
3. Be prepared to supply suspect or vehicle description and travel direction.
4. DON’T HANG UP! Follow the instructions of the dispatcher.

Report an incident immediately. If you witness a crime, note a description of the person(s), automobile information if applicable, direction of travel, etc. Provide accurate details to the Police as soon as possible. For more information regarding crime tips and prevention, please visit the Police Department website at www.vcccd.edu/departments/police.

Confidential Reporting

The VCCCD Police Department accepts confidential reports of criminal activity. Although the reporting of criminal activity directly to the Police Department is encouraged, we know this is not always feasible. Circumstances may dictate reporting made directly to a Campus Security Authority, who under the Clery Act is defined as college deans and assistant deans, faculty advisors to student groups, college directors and assistant directors, athletic team coaches and assistant coaches, or campus staff involved in disciplinary or judicial proceedings. These staff members are required to report Clery Act crimes, in order for them to be included in the annual disclosure of statistics. All information is held strictly in anonymity.

In addition to the Police Department, you may also report crimes to the following offices:

Dean of Students:
MC (805) 378-1408
OC (805) 384-5987
VC (805) 289-6153

Director of Athletics:
MC (805)378-1457
OC (805)986-5870
VC (805)289-6328

District Director of Human Resources:

FAQ'S (Frequently Asked Questions)

Can I park on campus for the first week without getting cited?
Citing begins the first day of each semester; there is no grace period. Permits are now available online several weeks prior to each semester.

Can I use a relative’s or friend's handicapped placard without getting cited?
Laws regarding use of handicapped placards are very clear; only the person to whom the placard was issued is entitled to use it. Unlawful use may result in a citation being issued or loss of placard. Please note: Students with handicapped placards are still required to obtain a parking permit to park on campus.

What should I do if I've lost something?
The Campus Police station at each campus is designated to receive lost or found items. If you lose an item on campus, contact Campus Police. The officer or cadet will take your information and if the item is recovered, you will be contacted. All unclaimed items are kept for 90 days and then donated to local charities.

How can I obtain a copy of a police report?
If you need a copy of a police report, please go to the Campus Police station and complete a request form. As all reports are issued from the Office of the Chief of Police, we require a few days to process the request. When the report is ready, you will be notified. PLEASE NOTE: You will need to provide valid identification to collect the report.

How can I find out more about parking permits, how to contest citations, or other parking related questions?
For more information related to parking or citations, visit www.vcccd.edu/parking, or contact your local Campus Police station directly. The numbers for the Campus Police stations are: MCPD – 805-378-1455; OCPD – 805-986-5805; VCPD – 805-289-6486.

Campus Safety /Emergency Notification

The Ventura County Community College District’s Emergency Notification Plan consists of a series of emergency notification applications that allows each College to notify the campus community in the event of an existing emergency. The District’s emergency plan adheres to ICS (Incident Command System) guidelines. Each campus has an Emergency Team consisting of members whose training complies with FEMA (Federal Emergency Management Agency.) Teams perform yearly exercises to recreate possible emergencies that could affect each campus. All notification systems are tested on a regular basis.

When it is determined that an emergency exists, each campus activates its EOC (Emergency Operations Center) and begins the process of assessing the emergency with information provided by first responders (police) and determining if the situation requires the immediate notification of the campus community. If it is determined that the campus should be notified of the emergency, the Incident Commander will activate one or more of the notification systems described below, depending upon the type and severity of the incident.

In the event of an emergency, students, faculty and staff will be notified via several methods:

Emergency Mass Notification System: The notification system is managed through our vendor, Blackboard Connect, which allows us to notify those enrolled of possible emergencies via text and voice messages to cell phones; emails; and voice messages to home phones. We strongly encourage all students and staff to sign up for this free service. Mass Notification is only used for emergencies; you will never receive "spam" texts or messages from the Police Department. Mass notification testing is conducted annually. To sign up, please visit the MyVCCCD Portal and under the "My Student Records" box, click "Maintain Emergency Alert Information."

On-campus Alert/Siren/System: The system notifies the campus through speaker arrays located on each campus. This assists our overall emergency communication system to immediately alert students, faculty, and staff of existing emergencies. Speaker arrays are mounted at various locations on each campus, and tested on a regular basis.

Campus Portals: incorporate alert messages posted on all District and campus web pages.

Emergency Email: Email messages will be sent to all individuals who are listed as email recipients.

Police Notification: Campus Police can deliver messages through Public Address Systems located in each emergency vehicle.

Local Media: Media is handled through the District’s Director of Administrative Relations.

Campus Information Boards ("Marquees"): Marquees provide information regarding campus emergencies, closures and updated information.

Evacuation and Shelter-In-Place: Procedures are listed in each classroom and building. Please take a moment to review evacuation routes and shelter areas for your campus.
to familiarize yourself with the evacuation procedures in all of your classes, as well as common areas, such as the Library, Cafeteria, Bookstore, Student Business Office, meeting rooms, etc. If the order to shelter-in-place is given, remain where you are and gather your personal necessities, in the event you are directed to evacuate.

Situations for which emergency notifications will be used may include, but are not limited to, potentially life-threatening situations (including those that may exist near or around the campus boundaries) such as an active shooter, bomb threats, or extreme weather (fire, floods, etc.); disasters, natural or otherwise; earthquakes, tsunamis, aircraft crashes, or biological hazards. When it is determined that an emergency no longer exists, an “all clear” message will be sent using one or more of the above methods directed to all students, faculty, and staff and visitors.

Other Campus Safety Measures:

**Campus Emergency Blue Phones** are located throughout each parking lot on the 3 campuses and enable quick reporting and response to emergencies, through the Police Dispatch services. Maps of the blue phone locations are available in the respective college schedules.

**Internal 911 System** provides more detailed information when an emergency call is made, assisting police and fire in responding to specific locations during an emergency.

**Surveillance Cameras** provide Police with the ability to monitor specific locations, such as common areas, parking lots, cafeterias, and bookstores, and greatly assist with overall safety and security.

**Fire Safety:**
In the event of a fire, exit and move in a safe direction toward the nearest evacuation area. In the event of a fire alarm in a multi-story building, do not use elevators; take the nearest stairwell to exit, and then proceed to the nearest evacuation area. The VCCCD does not have residential facilities.

**Active Shooter Guidelines**

With the increase in concern over active shooter incidents, the following guidelines should be reviewed and shared. Please contact the Police Department if you have any questions.

An Active Shooter is a person who appears to be actively engaged in killing or attempting to kill people in a populated area. In most cases, active shooters use firearm(s), and there is no pattern or method to their selection of victims. These situations are dynamic and escalate rapidly, demanding immediate deployment of law enforcement resources to stop the shooting and mitigate harm to innocent victims. This section provides guidance to faculty, staff, and students who may be caught in an active shooter situation.

**Guidance**
In general, how you respond to an active shooter will be dictated by the specific circumstances of the encounter, bearing in mind there could be more than one shooter involved in the same situation. If you find yourself involved in an active shooter situation, try to remain calm and use these guidelines to help you plan a strategy for survival.

- If it is possible to escape the area safely and avoid danger, do so
- Contact 911 and provide your location, if possible
- If escape is impossible, lock all doors and secure yourself in your space
- Close all window blinds and curtains
- Get down on the floor or under a desk and remain silent
- Wait for the “all clear” instruction

Additional information on dealing with an active shooter scenario can be obtained on District, College, and Police websites at: [www.vcccd.edu/departments/police](http://www.vcccd.edu/departments/police). Click on and view the video “Shots Fired on Campus – When Lightning Strikes.”
**Substance and Alcohol Abuse**

**SUBSTANCE ABUSE POLICY**
In accordance with Public Law 101-226, “Drug Free Schools and Communities Act Amendment of 1989,” as well as VCCCD Board Policy BP3550 and Administrative Policy AP3550, the Ventura County Community College District prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students, faculty or staff on the premises of any of the colleges, the District Administration Center, or at any VCCCD sponsored or sanctioned event.

Any student or employee in violation of this policy is subject to disciplinary action, up to and including expulsion from the college or termination from employment for violations of District policy.

**ALCOHOL ABUSE AND VIOLATIONS**
Possession, use and sale of alcoholic beverages on campus are limited to approved events and locations. Consumption or possession of alcohol by persons under the age of 21 is prohibited on all properties owned and operated by the District.

Laws regarding the use and possession of alcohol are enforced by the VCCCD Police Department. Violators may be subjected to arrest, fine, suspension or expulsion from the college.

**Hate Crimes**
“Hate crimes” as defined in California Penal Codes §422.55 and §422.6, and the Higher Education Opportunity Act (Public Law 110-315) mean “any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons because of ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political and/or religious beliefs of that person or group.” Incidents of hate violence should be reported to the VCCCD Police Department. The Department does not condone violence, and is charged with ensuring that the rights guaranteed by state law and the U.S. Constitution are protected for all people regardless of their ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political and or religious beliefs.

**Timely Warnings**
On occasion, you may see timely warning notices describing dangerous incidents. The VCCCD Police Department is responsible for issuing these timely warning notices as necessary. In the event that a situation arises on or off campus that in the judgment of the Chief of Police constitutes an ongoing or continuing threat, a campus-wide "timely warning" will be issued. The warning will be issued through District and College websites, the electronic bulletin board MyVCCCD Portal, and the campus student newspaper, The Student Voice.

**Weapons Policy**
It is against the law to bring firearms, knives, or other weapons as identified in Penal Code 12020 P.C. 626.9, onto District or College property. Section 626.9 of the California Penal Code makes it a felony to bring or to possess a firearm or certain knives on the grounds or within buildings of the VCCCD college campuses.

**Sex Offender Registration**
Effective October 28, 2002, Section 290.01 of the California Penal Code was expanded and now requires a convicted sexual offender who is enrolled as a student, or employed as a full- or part-time employee, or is carrying on a vocation, in a community college for more than 14 days, or for an aggregate period exceeding 30 days in a calendar year, to register with the Campus Police Department within five (5) working days of commencing enrollment or employment. Violation of the above requirement can result in a fine, imprisonment or both. Public information regarding sex offenders in California may be obtained by viewing the Department of Justice Online Megan’s Law website at: http://www.meganslaw.ca.gov/.

**Sexual Assault Response and Information**
If you have been sexually assaulted, it is important that you seek help immediately. If you are the victim of a sexual assault, please take the following steps:

- Go to a safe place as soon as possible.
- Call someone you trust to be with you, like a relative, close friend, or a rape crisis counselor.
- Try to preserve all evidence. Do not wash, use the toilet, or change clothing. If you do change clothes,
place all clothing—including outer clothing as well as underwear—into a paper (not plastic) bag.

- Do not bathe, shower or douche.
- Contact the police department immediately.
- Get medical attention at the hospital, or student health center.
- Talk with rape counselors, who are often available at a hospital, to assist you with the sexual assault examination.

**Bullying**

“Bullying” is defined as conduct that places people in reasonable fear of physical harm based on their real or perceived identity in regard to race, sexual orientation or gender identity, among other factors. Although media reports often call unwanted, aggressive behavior among young adults “bullying,” this is not exactly accurate. Many state and federal laws address bullying-like behaviors in this age group under very serious terms, such as hazing, harassment, and stalking.

How you can get help:

- Talk to someone you trust
- Determine if the behavior violates campus policies or laws. Review student codes of conduct, state criminal laws, and civil rights laws.
- Report criminal acts to campus or community law enforcement.
- Consult the College’s Title IX coordinator to help determine if the behavior is sexual harassment.

**Cyberbullying**

“Cyberbullying” is the use of internet or other digital devices such as email, instant messaging, text messages, social networking sites, web pages, blogs, chat rooms,
or interactive game sites to send negative and harmful messages and images. While the term “Cyber bullying” is technically used when the victim or bully is a minor, it is also applied to the cyber harassment of college students.

Protect yourself:

- Never share personal information, such as your home address or phone number, online.
- Never take compromising pictures or videos of yourself or your friends on your cell phone. Even if you just share them among your friends, they can soon spread like wildfire.
- Think before you react to something online.
- If you wouldn’t say it in person, don’t say it online.
- Respect other people and treat them the way you want to be treated.
- Don’t contribute to cyberbullying by forwarding or adding to cruel messages.
- Never tell anyone your online passwords or your cell phone PIN. Never leave your cell phone unattended.

Combat cyberbullying:

- Stop: Don’t respond to the bully, even to the first offense. It only escalates the problem.
- Print and save all messages.
- If you are being victimized online, block the person doing it from your Facebook page or instant messaging account and communicate only with people you know.
- If the perpetrator is another student, share evidence with the campus authorities – even though 70% of cyberbullying happens at home, if often involves other students at school.

If the cyberbullying contains threats, intimidation, obscene material or sexual exploitation, immediately report it to campus police.

Seek support and professional help for yourself if there is emotional stress reflected in depression, desperation, anxiety or thoughts of self-harm.

Students may be reluctant to seek help for cyber bullying, although they recognize it as a serious issue affecting young adults. You are strongly encouraged to report cyber bullying.

Crime Statistics and Crime Logs

Statistics regarding campus disciplinary actions are collected by the office of the Chief of Police.

Crime logs are updated every 48 hours and are available for review at the Police Department’s website, at: www.vcccd.edu/departments/police/crime_log/.

Crime statistics are reported pursuant to guidelines specified in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Disclosure Act and as defined under the FBI Uniformed Crime Reporting procedures. Crime statistics regarding the 3 campuses and others may be found on the Department of Education’s website at www.ope.ed.gov/security/.

For more information regarding campus security or crime statistics, please contact the office of the Chief of Police at (805) 652-7751.
