2011-2012 PRIMARY COLLEGE CHANGE FORM

Student's Name \_\_\_\_\_

SSN/ID \_\_\_\_\_

**Primary College:**

Effective 2011-2012 academic year, you will be assigned a Primary College through the Ventura County Community College District. The Primary College is the college from which you will receive your financial aid. If your Admissions Application matches with any of your college preferences on your FAFSA, your Primary College will remain the same. However, if it does not match, your Primary College will be assigned based on the Title IV School Code you listed first on your Free Application for Federal Student Aid (FAFSA)."

I authorize Ventura County Community College District to change my Primary College from

\_\_\_\_\_ to \_\_\_\_\_.

I understand Ventura County Community College District cannot change my Primary College once I have received my financial aid funds regardless of enrollment changes during the entire academic year. For example, you were enrolled and received funding at Moorpark College for Fall 2011 and you decide to enroll at Oxnard College for Spring 2012. Your financial aid will continue to be processed at Moorpark College for the Spring 2012 semester.
