Payments of interest on the Bonds will be made on each Interest Payment Date by check or draft of the Paying Agent sent by first-class mail, postage prepaid, to the Owner thereof appearing on the Bond Register on the Record Date, or by wire transfer to any Owner of \$1,000,000 aggregate principal amount or more of such Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; *provided, however*, that payments of defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

#### SECTION 10. Federal Tax Covenants.

(a) Definitions. When used in this Section, the following terms have the following meanings with respect to any Tax-Exempt Bonds issued by the District:

"Bonds" means the Bonds, and any other tax-exempt obligations sold within 15 days of the Bonds that are part of the same issue pursuant to Section 1.150-1(c) of the Regulations.

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of

(i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and

(ii) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The District shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the District receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the District shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the District shall at all times prior to the last stated maturity of the Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the District or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the District shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the District shall not at any time prior to the final stated maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield of any Investment acquired with Gross Proceeds, whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the District shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The District shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The District shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the District may commingle Gross Proceeds of the Bonds with other money of the District, provided that the District separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the District shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The District shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the initial purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the District shall pay to the United States out of the Rebate Fund, its general fund, or other appropriate fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (A) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (B) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The District shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the District shall not, at any time

prior to the earlier of the stated maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The District hereby directs and authorizes the Chancellor and Vice Chancellor Business & Administrative Services, either or any combination of them or their respective designees, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds.

(i) At the time the original bonds refunded by the Bonds were issued, the District reasonably expected to spend at least 85% of the spendable proceeds of such bonds within three years after such bonds were issued.

(ii) Not more than 50% of the proceeds of the original bonds refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

SECTION 11. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond for each maturity of the Bonds.

Upon initial issuance, the ownership of each such global Bond shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond shall bear a legend describing restrictions on transfer, as may be prescribed by the Depository.

With respect to Bonds registered in the Bond Register in the name of the Nominee, the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any Redemption Notice (as defined in Section 28 below), (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The District and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for

the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) In order to qualify the Bonds for the Depository's book-entry system, the District is hereby authorized to execute and deliver or shall have executed and delivered to the Depository a letter from the District representing such matters as shall be necessary to so qualify the Bonds (the "**Representation Letter**"). The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (a) hereof or in any other way impose upon the District any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register. In addition to the execution and delivery of the Representation Letter, the District and its Authorized Officers are hereby authorized to take any other actions, not inconsistent with this Resolution, to qualify the Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the District within 90 days after the District receives notice or becomes aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the District shall cause the issuance of certificated securities representing the Bonds as provided below. In addition, the District may determine at any time that the Bonds shall no longer be lodged with a Depository and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the District shall cause the execution and delivery of certificated securities representing the Bonds as provided below. Bonds issued in exchange for global Bonds pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the District. The District shall cause delivery of such certificated securities representing the Bonds to the persons in whose names such Bonds are so registered.

If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or cause to be prepared a new fully registered global Bond for each of the maturities of the Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal Amount of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(e) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

#### SECTION 12. Execution of the Bonds.

(a) The Bonds shall be executed in the manner required by the Authorizing Law. In case any one or more of the Authorized Officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the District, such Bonds may, nevertheless, be issued, as herein provided, as if the Authorized Officers who signed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed on behalf of the District by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the District, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 13. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A hereto, duly executed by the Owner or such Owner's duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor, series and maturity in the same Principal Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor. The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal of and premium, if any, or interest on such Bond shall be overdue or not, for the purpose of receiving payment of Principal of and premium, if any, and interest on such Bond and for all other purposes, and any such payments so made to any such Owner or upon such Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like series, tenor and maturity of other authorized denominations. All Bonds surrendered in any such exchange

shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 14. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Principal Amount and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur, the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Principal Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 15. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books. While the Bonds are held in the book-entry system, the Paying Agent is not required to keep a separate Bond Register.

SECTION 16. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption price with respect to

such Bonds shall have become due and payable shall be transferred to the general fund of the District (the “**General Fund**”); *provided, however*, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund. Thereafter, the Owners of such Bonds shall look only to the General Fund for payment of such Bonds.Application of Proceeds.

(a) An amount of proceeds from the sale of the Bonds necessary to purchase certain Federal Securities, or to otherwise refund the Refunded Bonds, shall be transferred to the Escrow Agent for deposit in the escrow fund established under the Escrow Agreement (the “**Escrow Fund**”), which amount, if uninvested, shall be sufficient, or if invested, together with an amount or amounts of cash held uninvested therein, shall be sufficient to refund the Refunded Bonds. The Governing Board hereby authorizes the deposit of all or a portion of the premium received from the sale of the Bonds into the Escrow Fund. Premium or proceeds received from the sale of the Bonds desired to pay all or a portion of the costs of issuing the Bonds are hereby authorized to be deposited in the fund of the District held by a fiscal agent selected thereby and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Bonds.

(b) Accrued interest, if any, and except as shall otherwise be directed by the District in accordance with applicable law, any original issue premium received by the District from the sale of the Bonds, shall be kept separate and apart in separate funds hereby created and established and to be designated as the “Ventura County Community College District 2019 General Obligation Refunding Bonds Debt Service Fund” (the “**Debt Service Fund**”). Amounts in the Debt Service Fund may be used only for payment of Principal of and interest on the Bonds. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the Principal of and interest on the Bonds. The Treasurer is directed to create any accounts and subaccounts in the Debt Service Fund as provided in the Tax Certificate and Section 10 of this Resolution.

(c) All Pledged Moneys (defined below) shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the principal of, premium, if any, and interest on the Bonds.

(d) On or before the Business Day immediately preceding each Interest Payment Date, the District shall transfer, or cause to be transferred, from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds coming due (collectively, “**Debt Service**”) on such payment date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(e) The District shall cause moneys to be transferred to the Rebate Fund to the extent needed to comply with the Tax Certificate and Section 10(h) of this Resolution. Any amounts on deposit in a Debt Service Fund when there are no longer any Bonds of that series Outstanding

shall be transferred to the General Fund of the District, subject to any conditions set forth in the Tax Certificate and Section 10 of this Resolution.

(f) Certain proceeds of the Bonds may be applied to pay Costs of Issuance as provided in Section 20 below.

(g) Except as required to satisfy the requirements of Section 148(f) of the Code or to comply with the provisions of the Tax Certificate or Section 10 of this Resolution, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay the Principal of and interest on the Bonds when due.

SECTION 18. Payment of and Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes a continuing direct *ad valorem* property tax annually during the period the Bonds are Outstanding in an amount sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the principal of, premium, if any, and interest on the Bonds as each becomes due and payable, which monies when collected are irrevocably pledged for the payment of the principal of and interest on the Bonds when and as the same fall due (the “**Pledged Moneys**”). When collected by the County, Pledged Moneys will be placed in the Debt Service Fund of the District. The property taxes and amounts collected shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in the Debt Service Fund of the District when collected, to secure the payment of the Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. The tax levy may include an allowance for a reasonably required reserve in accordance with the Tax Certificate, established for the purpose of ensuring that the tax or assessment actually collected is sufficient to pay the annual debt service requirements on the Bonds due in such year. The District covenants to cause the County to take all actions necessary to levy such *ad valorem* property tax in accordance with this Section and Section 53559 of the Government Code.

This pledge is an agreement between the District and the bondholders to provide security for the Bonds in addition to any statutory lien that may exist, and the Bonds and each of the other bonds secured by such pledge are issued to finance or refinance one or more of the projects specified in the voter-approved measure.

SECTION 19. Establishment and Application of Rebate Fund. There is hereby established in trust a special fund designated “Ventura County Community College District 2019 General Obligation Refunding Bonds Rebate Fund” (the “**Rebate Fund**”) which shall be held by the Treasurer for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys to the Rebate Fund in accordance with the provisions of the Tax Certificate and Section 10(h) of this Resolution. Amounts on deposit in the Rebate Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate and Section 10 of this Resolution.

SECTION 20. Payment of Costs of Issuance. Premium or proceeds of the sale of the Bonds desired to pay all or a portion of certain costs of issuing the Bonds may be deposited in the fund of the District known as the “Ventura County Community College District 2019 General Obligation Refunding Bonds Costs of Issuance Fund” (the “**Costs of Issuance Fund**”), and those proceeds shall be used solely for the purpose of paying Costs of Issuance of the Bonds. The Costs of Issuance Fund may be held and administered by the Paying Agent. Any amounts remaining in the Costs of Issuance Fund following the earlier of the day which is 180 days following the Date of Delivery or the day on which the Paying Agent pays the final invoice for Costs of Issuance, as directed by the District, shall be transferred by the Paying Agent to the Debt Service Fund and to be used to pay the Principal of, and premium, if any, and interest on the Bonds. Underwriter’s discount and other Costs of Issuance may be retained from original issue premium obtained upon sale, pursuant to the terms of the Contract of Purchase. Costs authorized to be paid from the proceeds of the Bonds are all of the authorized costs of issuance set forth in California Government Code Sections 53550(e), 53550(f) and 53587.

SECTION 21. Negotiated Sale/Method of Sale. The Bonds shall be sold by negotiated sale to the Underwriter inasmuch as: (i) such a sale will allow the District to integrate the sale of the Bonds with other public financings undertaken, or to be undertaken, by the District in order to refinance outstanding debt or finance and fund its public education facilities; (ii) such a sale will allow the District to utilize the services of consultants who are familiar with the financial needs, status and plans of the District; and (iii) such a sale will allow the District to control the timing of the sale of the Bonds to the municipal bond market and, potentially, take advantage of interest rate opportunities for the favorable sale of the Bonds to such market and resulting in lower tax levies against the taxpayers of the District.

SECTION 22. Engagement of Consultants; Good Faith Estimates.

(a) Keygent, LLC has been selected as the Municipal Advisor to the District, Norton Rose Fulbright US LLP has been selected as the District’s Bond Counsel and Disclosure Counsel and RBC Capital Markets, LLC, has been selected to act as Underwriter with respect to the authorization, sale and issuance of the Bonds.

(b) Based on a good faith estimate received by the District from the Municipal Advisor, the District finds that (i) the true interest cost of the Bonds (as defined in Government Code of the State of California (the “Government Code”) Section 5852.1(a)(1)(A)) is expected to be approximately 2.75%, (ii) the total finance charge of the Bonds (as defined in Government Code Section 5852.1(a)(1)(B)) is expected to be \$700,000, which includes estimated underwriter's discount, (iii) the total proceeds expected to be received by the District from the sale of the Bonds, less the finance charge of the Bonds, is \$94,400,000 and (iv) the District expects that the total payment amount (as defined in Government Code Section 5852.1(a)(1)(D)), calculated to the final maturity of the Bonds, will be \$110,000,000. The information presented in this section is included in satisfaction of Government Code Section 5852.1, and shall not abrogate or otherwise limit any other provision of this Resolution.

SECTION 23. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the Treasurer, or the Paying Agent, the District

may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 24. Request for Necessary County Actions.

(a) The Board of Supervisors, the Auditor-Controller, the Treasurer and other officials of the County, are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of, redemption premium, if any, and interest on the Bonds as the same shall become due and payable as necessary for the payment of the Bonds, and the Secretary of the Governing Board is hereby authorized and directed to deliver certified copies of this Resolution to the Secretary of the Board of Supervisors of the County, the Auditor-Controller of the County, and the Treasurer. The Governing Board hereby agrees to reimburse the County for any costs associated with the levy and collection of said tax, upon such documentation of said costs as the District shall reasonably request.

(b) The Board of Supervisors, the Auditor-Controller, the Treasurer and other officials of the County, are hereby requested to take and authorize such actions as may be necessary, upon, but only upon, the defeasance or redemption of the Refunded Bonds from proceeds of the Bonds, to discontinue the levy of property taxes on all taxable property of the District for the payment of the Refunded Bonds, pursuant to Section 53561 of the Government Code.

SECTION 25. Notice of Redemption of Refunded Bonds. The escrow agent is hereby authorized and directed to give notice of redemption of the Refunded Bonds, pursuant to the terms of the resolution of the District and/or the County Board of Supervisors authorizing the issuance thereof and pursuant to the terms of the Escrow Agreement.

SECTION 26. Redemption. The Bonds shall be subject to redemption as provided in the Contract of Purchase.

SECTION 27. Selection of Bonds for Redemption.

(a) Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given as provided herein, shall select Bonds for redemption in the manner directed by the District.

(b) With respect to any Bonds, the Paying Agent shall select such Bonds for redemption as directed by the District, or, in the absence of such direction, in inverse order of maturity and within a maturity, by lot. Within a maturity, the Paying Agent will select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; *provided, however*, that the portion of any Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof.

(c) In the event that a Term Bond is optionally redeemed, the Principal amount of each remaining sinking fund payment with respect to such Term Bond will be reduced as directed by the District in the aggregate amount equal to the amount so redeemed.

SECTION 28. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall give notice (each, a “**Redemption Notice**”) of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state (i) that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date, and (ii) that from and after such date, interest with respect thereto shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the Owners of Bonds designated for redemption by first-class mail, postage prepaid, at their addresses appearing on the Bond Register and to the MSRB.

(b) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first-class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories and the MSRB.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

A Redemption Notice given hereunder may be conditioned upon the satisfaction of certain conditions and/or the receipt of sufficient moneys to pay the redemption price of the designated Bonds and may be rescinded by the District at any time prior to the scheduled date of redemption by so notifying the Owners of affected Bonds and the Information Services in the event such conditions are not met and are not expected to be met and/or such funds are not received or are not expected to be received.

SECTION 29. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Principal Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 30. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund or deposited with a duly appointed escrow agent, in trust, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in this Resolution and the Contract of Purchase, together with interest to such redemption date, shall be held by the Paying Agent or deposited with a duly appointed escrow agent, in trust, so as to be available therefor on such redemption date, and any conditions to such redemption described in the Redemption Notice shall be met, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest on the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Resolution and the Contract of Purchase shall be cancelled upon surrender thereof and delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent upon written notice by the District given to the Paying Agent.

SECTION 31. Paying Agent; Appointment and Acceptance of Duties.

(a) The Treasurer of the County is hereby appointed as the initial authenticating agent, bond registrar, transfer agent and paying agent, and may act through its designated agent, U.S. Bank National Association (collectively, the “**Paying Agent**”). All fees and expenses incurred for services of the Paying Agent shall be the responsibility of the District and may be paid from the annual *ad valorem* property tax levy supporting the Bonds. The Paying Agent shall keep accurate records of all funds administered by it and all of the Bonds paid and discharged by it.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of principal of, premium, if any, and interest on the Bonds.

SECTION 32. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 33. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 34. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution, all of which may, pursuant to Education Code Section 15232, be paid from the County's annual levy of *ad valorem* property taxes.

SECTION 35. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 36. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The initially appointed Paying Agent may resign from service as Paying Agent at any time. Prior to such resignation, a new Paying Agent shall be appointed by the District in accordance with applicable law, which shall be the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$75,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District a written acceptance thereof. Resignation of the initial or a successor Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) Any Paying Agent appointed may resign from service as Paying Agent and may be removed at any time by the District as provided in the Paying Agent's service agreement. If at any time the Paying Agent shall resign or be removed, a new Paying Agent shall be appointed in accordance with applicable law, which shall be either the Treasurer or a bank or trust company doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$75,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the District, a written acceptance thereof. Resignation or removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor. The District shall promptly provide notice of the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of the Bonds by first-class mail, postage prepaid, at their addresses appearing on the Bond Register.

SECTION 37. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds and accounts, subject to any conditions in the Tax Certificate and Section 10 of this Resolution. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book entry form on the books of the Department of Treasury of the United States. All investment earnings on amounts on deposit in the Debt Service Fund shall remain on deposit in such fund.

SECTION 38. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 39. Supplemental Resolutions with Consent of Owners. This Resolution, and the rights and obligations of the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the District with the written consent of Owners owning at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 40. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the District may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the District in this Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of Bond Counsel, adversely affect the interests of the Owners.

SECTION 41. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the District or any officer or agent thereof from taking any action pursuant thereto.

SECTION 42. Defeasance. If any or all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(a) by paying or causing to be paid the principal of, premium, if any, and interest on such Bonds, and when the same become due and payable;

(b) by depositing with the Paying Agent or with a duly appointed escrow agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the Debt Service Fund (and the accounts therein other than amounts that are not available to pay Debt Service) together with the interest to accrue thereon without the need for further investment, is fully sufficient to pay such Bonds at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

(c) by depositing with an institution that meets the requirements of serving as successor Paying Agent pursuant to Section 36 selected by the District, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient to pay and discharge such Bonds at maturity or earlier redemption thereof, for which notice has been given or provided for, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the District and the Paying Agent under this Resolution with respect to such Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of such Bonds all sums due thereon, the obligation of the District

to pay to the Paying Agent amounts owing to the Paying Agent under Section 34 hereof, and the covenants set forth in Section 10 hereof.

SECTION 43. Approval of Actions; Miscellaneous.

(a) The Authorized Officers of the District are each hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all certificates, statements, disclosures, notices, contracts, or other documents which they may deem necessary or advisable in order to proceed with the sale and issuance of the Bonds or otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The County, the Board of Supervisors, officers, agents, and employees shall not be responsible for any proceedings or the preparation or contents of any resolutions, certificates, statements, disclosures, notices, contracts, or other documents relating to the sale and issuance of the Bonds.

(c) The Principal or redemption price, if any, of and interest on the Bonds shall not constitute a debt or an obligation of the County, the Board of Supervisors, officers, agents, or employees, and the County, the Board of Supervisors, officers, agents, and employees thereof shall not be liable thereon. In no event shall the Principal or redemption price, if any, of and interest on any Bond be payable out of any funds or property of the County.

(d) The Secretary of the Governing Board shall send a certified copy of this Resolution, together with the final debt service schedule for the Bonds, to the Treasurer.

SECTION 44. Conflicts. If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Contract of Purchase, the Contract of Purchase prevails to the extent of the inconsistency or conflict. If there is any inconsistency or conflict between any provision of this Resolution and any provision of the Tax Certificate, the Tax Certificate prevails to the extent of the inconsistency or conflict.

SECTION 45. Effective Date. This Resolution shall take effect immediately upon its adoption.

PRINCIPAL AMOUNT:

The Ventura County Community College District (the "District"), a community college district duly organized and existing under the laws of the State of California, located within the County of Ventura (the "County"), State of California (the "State"), for value received, hereby acknowledges itself indebted and promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount set forth above, on the Maturity Date set forth above, together with interest thereon from the Dated Date set forth above until the Principal Amount hereof shall have been paid or provided for, in accordance with the Resolution hereinafter referred to, at the Interest Rate set forth above. Interest on this Bond is payable on [February 1, 2020], and semiannually thereafter on the first day of February and August (each, an "Interest Payment Date") in each year to the registered owner hereof (the "Owner") from the Interest Payment Date next preceding the date on which this Bond is registered (unless it is registered after the close of business on the fifteenth calendar day of the month next preceding any Interest Payment Date (a "Record Date") and before the close of business on the immediately following Interest Payment Date, in which event it shall bear interest from such following Interest Payment Date, or unless this Bond is registered prior to the close of business on [January 15, 2020], in

which event it shall bear interest from its date; *provided, however*, that if at the time of registration of this Bond interest with respect hereto is in default, interest with respect hereto shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment. The principal amount hereof is payable at the office of U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County, as initial paying agent (the "Paying Agent"), in Los Angeles, California. The interest hereon is payable by check or draft mailed by first class mail to each Owner, at his address as it appears on the registration books kept by the Paying Agent as of the Record Date, or by wire transfer to any Owner of \$1,000,000 aggregate principal amount of such Bonds, to the account specified by such Owner in a written request delivered to the Paying Agent on or prior to the Record Date for such Interest Payment Date; *provided, however*, that payments of defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date fixed therefor by the Paying Agent, which shall not be more than fifteen days and not less than ten days prior to the date of the proposed payment of defaulted interest.

The Bonds of this issue are comprised of \$\_\_\_\_\_ principal amount of Bonds. This Bond is issued by the District under and in accordance with the provisions of Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 (commencing with Sections 53550 and 53580, respectively) of the Government Code of the State of California, and pursuant to a resolution adopted by the Board of Trustees of the District on [September 10, 2019] (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the District, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the Owners of the Bonds and the rights and duties of the Paying Agent and the District, to all of the provisions of which the Owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution.

The Bonds are being issued for the purpose of effecting an advance refunding of certain outstanding general obligation bonds of the District issued pursuant to an authorization obtained from the qualified electors of the District on March 5, 2002, for the issuance of \$356,347,814 aggregate principal amount of general obligation bonds and to pay costs of issuance with regard to the Bonds.

Reference is made to the Resolution for a more complete description of the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the County, the Paying Agent and the Owners, and the terms and conditions upon which the Bonds are issued and secured. The Owner of this Bond assents, by acceptance hereof, to all of the provisions of the Resolution.

This Bond is a general obligation of the District, payable as to both principal and interest from *ad valorem* property taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the principal of this Bond, or any part thereof, nor any interest or premium hereon constitute a debt, liability or obligation of the County.

The Bonds maturing on or before August 1, 20\_\_ shall not be subject to redemption prior to their maturity dates. The Bonds maturing on or after August 1, 20\_\_ may be redeemed before

maturity at the option of the District, from any source of funds, on August 1, 20\_\_ or on any date thereafter as a whole, or in part. For the purposes of such selection, Bonds will be deemed to consist of \$5,000 portions by principal amount, and any such portion may be separately redeemed.

Bonds maturing on August 1, 20\_\_, are subject to mandatory sinking fund redemption on August 1 of each year, commencing August 1, 20\_\_, in the following principal amounts, at a redemption price of par, plus accrued interest to the redemption date:

<u>Mandatory Sinking Fund Payment Date</u>	<u>Mandatory Sinking Fund Payment</u>
August 1, 20__	\$
August 1, 20__	
August 1, 20__	
August 1, 20__	

Whenever provision is made for the redemption of Bonds and less than all outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 45 days prior to the date designated for such redemption, shall select Bonds for redemption in such order as the District may direct. Within a maturity, the Paying Agent shall select Bonds for redemption as directed by the District, or, in the absence of such direction, in inverse order of maturity and within a maturity, by lot. The portion of any Bond to be redeemed in part shall be in the principal amount of \$5,000 or any integral multiple thereof.

This Bond is issued in fully registered form. Registration of this Bond is transferable by the Owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District and the Paying Agent may treat the Owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

The rights and obligations of the District and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the District with the written consent of owners of at least 60% in aggregate Principal Amount of the Outstanding Bonds, exclusive of Bonds, if any, owned by the District; *provided, however*, that no such

modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which the principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the District may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the District in the Resolution, other covenants and agreements to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the principal amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Board of Trustees of the District in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act, including the Constitution of the State, that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act, and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

IN WITNESS WHEREOF, the Ventura County Community College District has caused this Bond to be executed in their official capacities by the manual or facsimile signature of the Chair of the Board of Trustees of the District and countersigned by the manual or facsimile signature of the Secretary to the Board of Trustees of the District as of the date stated above.
