RE: Medicare Part D (Prescription Drug Plan) and Notice of Creditable Coverage

On October 15, 2018, the annual Medicare open enrollment period begins. We are required to send you the attached Notice of Creditable Coverage.

As a reminder, your prescription drug plan with the Ventura County Community College District does provide creditable coverage and we recommend that you not enroll in a Medicare Part D Prescription Drug Plan. This letter and Notice of Creditable Coverage is in reference to the Medicare Part D Prescription Drug Plan only. We still encourage you to enroll in Medicare Parts A & B when you are eligible.

If you have any questions, please feel free to call me at (805) 652-5535.

Sincerely,

Katy Lyon
