URGENT NOTICE

THIS LETTER REQUIRES IMMEDIATE ACTION TO ENSURE YOUR CONTINUED FINANCIAL AID

Dear

ID:

Federal regulations require that a student be enrolled in an eligible program in order to receive financial aid for that program. Our records indicate that you listed **Dental Hygiene** as your program of study but have not yet been officially accepted into this program. The **Dental Hygiene Program** requires a student to meet certain criteria as outlined in the college catalog in order to be accepted. Therefore, until you have been officially accepted into the Dental Hygiene Program, you must select a different program of study.

At this time, a "Dental Hygiene Program" document has been added to your financial aid requirements. This document will prevent any financial aid awards from being disbursed to you.

In order to clear this document hold, you must do the following:

1. If you do plan to pursue Dental Hygiene as your program of study, but have not been officially accepted into this program, you must select another program of study such as **General Studies Natural Sciences Pattern III (2-GNSPIII-AA)**.

or

2. If Dental Hygiene is no longer your program of study, please update your program accordingly. Please note, not all programs offered at Oxnard College are eligible for federal and/or state financial aid. For a list of eligible programs please visit our website.

Instructions on how to update my program of study on my student portal (MyVCCCD):

- Log onto your student portal my.vcccd.edu
- Once logged on click on the **"my college"** tab
- Look for the box that says **"my student records"** and click on **"update college, program and goal"** link
- Once you click on **"Update College, program and goal"** it will take you to a separate page where you have to select a term
- **Select the term** you are trying to update (ex. **Fall 2016**)
- Once you click on the term year you want to update it will take you to a new page where it will show your old major. Below there will be a section called **"New Selection for Fall 2016"** here you will be able to change your major and update your educational goal if needed.
