The Ventura College Financial Aid Office recommends
Federal Direct Loans are accepted before applying for Private Loans.

Federal Direct Loans

- Federal loans are available to students regardless of income
- Nearly every student will be eligible for student aid, even if it is limited to Federal Unsubsidized Direct Loans
- Federal student loans by law offer a range of flexible repayment options, including but not limited to, income-based repayment and income contingent repayment plans and loan forgiveness benefits which other student loans are not required to do
- For loans borrowed in the 2017-2018 academic year the Federal Student Loan Interest rates are **4.45%** for Undergraduates (*new interest rates posted after July 1 of each year*).

- We recommend you visit our website for more information:
www.venturacollege.edu/departments/student-services/financial-aid/types-of-financial-aid/student-loan-options/alternative

PLEASE NOTE: Private loans for the academic year are disbursed in **TWO** payments, one in the fall semester and one in the spring semester, unless you request a one semester loan only. One semester loans are limited to a one semester budget only.

Private Loans

- Comparison shopping among private loan lenders is recommended. **NOTE:** Their websites and brochures may not have current interest rates and/or list all possible loan fees
- Private loans can offer variable rates than can increase or decrease over time depending on market conditions
- Private loans can have a range of interest rates, fees, and students should determine these before accepting the loan
- The interest rate offered on a private loan may depend on a borrower's credit rating
- Some private lenders require students to meet the school's Satisfactory Academic Progress Policy (SAP)
