FINANCIAL AID OFFICE

REMEDIAL UNIT ALERT

STUDENT'S NAME _____

STUDENT ID # _____

The Financial Aid Office is dedicated to supporting student success. Some students need to take Remedial coursework that prepares them for a program of study at the postsecondary level. A student can be admitted into an eligible program, take remedial coursework within that program, and be considered a regular student, even if he/she is taking all remedial courses before taking any regular courses.

A student may attempt up to one academic year's (30 semester hours) worth of courses in his/her enrollment status and receive Federal Student Aid (FSA). ESL courses do not count against the one-year limitation on remedial coursework mentioned above. Please be aware, that financial aid received over a series of semesters for such work will count toward your lifetime/aggregate limits and can exhaust the student's eligibility for financial aid before the student completes his/her program.

Based on our records, you are close to or have exceeded the 30 remedial unit limitation. If you have attempted 30 remedial units, no further funding can be made for remedial coursework. Any financial aid received for remedial courses over 30 attempted units will result in an overpayment. If you have not done so, we encourage you to schedule an appointment with an academic counselor to develop a Student Educational Plan (SEP) for your program of study.

INSTRUCTIONS: Please complete this form and submit this form to the Financial Aid Office. This form does NOT require a counselor's signature.
