## + Budget adopted with the understanding that staff salary and benefit costs are estimated and necessary adjustments will be made for the actual salary and benefit costs of the staff positions that report to the Personnel Commission.

${ }^{1}$ Include only those expenditures directly attributable to the activities of the commission and its employees. For example, salaries of administrators having a line responsibility for all district operations should not be prorated even though some time may be spent working with the Personnel Director.
${ }^{2}$ Group medical benefits cannot be provided to former personnel commission members.
