ANNUAL REPORT FOR THE VENTURA COUNTY COMMUNITY COLLEGE DISTRICT FUTURIS TRUST JULY 2012

The Ventura County Community College District has established the Futuris Public Entity Investment Trust. This Trust is an IRS Section 115 Trust that is used for the purposes of investment and disbursement of funds irrevocably designated by the District for the payment of its obligations to eligible employees (and former employees) of the District and their eligible dependents and beneficiaries for life, sick, hospitalization, major medical, accident, disability, dental and other similar benefits (sometimes referred to as “other post-employment benefits,” or “OPEB”), in compliance with governmental Accounting Statement Nos. 43 and 45.

The Governmental Accounting Standards Board (GASB) adopted Statements 43 and 45 for public sector employers to identify and report their Other Post-Employment Benefits (OPEB) liabilities. GASB Statements 43 and 45 establish uniform financial reporting standards for OPEB and improve relevance and usefulness of the reporting. In particular, the statements require systematic, accrual-based measurement and recognition of OPEB expenses over the employees’ years of service as well as providing information regarding the progress being made toward funding the plan.

GASB 43 establishes uniform financial reporting standards for OPEB Plans, while GASB 45 establishes uniform financial reporting standards for Employers. Both of these standards provide instructions for calculating expenses and liabilities as well as requiring supplementary information schedules to be added to the year-end financial reports.

The District has created a Retirement Board of Authority consisting of District personnel to oversee and run the Futuris Trust. Benefit Trust Company is the qualified Discretionary Trustee for asset and fiduciary management and investment policy development. Keenan & Associates is the Program Coordinator for the Futuris Trust providing oversight of the Futuris program and guidance to the District.

Attached to this notice is the most recent annual statement for the Trust. This statement shows (as of the date of the statement); the total assets in the Trust, the market value, the book value, all contribution and distribution activity (including all fees and expenses associated with the Trust), income activity, purchase activity, sale activity, and realized gains and losses. Please note that the Trust is not itself an employee benefit plan. Rather, the assets in the Trust are irrevocably designated for the funding of employee benefit plans. You are being provided this information pursuant to California Government Code Section 53216.4.

For more information regarding the Futuris Public Entity Investment Trust, please contact Susan Johnson, Vice Chancellor, Business and Administrative Services at 805/652-5537 with the Ventura County Community College District.

Futuris Public Entity Trust annual Statement from 2011-2012

Benefit Trust Company changed trust accounting systems effective August 1, 2011. Unfortunately transaction history was not converted from the old to the new trust accounting system. In order to view the books and records of your trust for the entire fiscal year two statements will need to be referenced.

In order to view your trust activity for the entire fiscal year, please reference the July 31, 2011 trust statement taken from the old trust accounting system, along with the August 1, 2011 – June 30, 2012 trust statements from the new system. We have merged the two together to create one complete annual report.

In addition, be advised the ending balance on the July 31st statement does not match the beginning balance at August 1st of the statement. These two systems calculate accruals differently. By taking the ending balance of the July statement and subtracting the accrual number from the July statement and then adding in the "prior accrual" number from the bottom left column of the second statement you can easily reconcile the two statements.

We may select a Money Market or other Mutual Fund on your behalf for investment of all or a portion of your funds. We received administrative fees from certain fund managers for administrative services we provide in connection with accounts we hold with investments in their funds.

State Trust statutes provide that a beneficiary may not commence a proceeding against a trustee for breach of trust more than one year after the date the beneficiary or a representative of a beneficiary was sent a report that adequately disclosed the existence of a potential claim for breach of trust and informed the beneficiary of the time allowed for commencing a proceeding. This account statement represents the Trustees report of its acts and each Beneficiary or a representative of a Beneficiary has one year from the date of mailing of this Trustees report to commence a proceeding against the Trustee for breach of trust for any acts disclosed in the Trustees report. If you have any questions, please contact your Trust Officer.
