Appendix A: Data Definitions
Three-Year Unduplicated Degree, Certificate, Transfer Outcomes

Fall Cohorts:
All first-time college students (Banner Enrollment Status Code = 1) and ending the term with at least one class resulting in a transcript notation, excluding students who are taking ESL classes only.

Degrees and Certificates:
Student was awarded either an associate degree or certificate within three years, other than the CSUGE or IGETC certification.

Transfer Certification:
Student was awarded either a CSUGE or IGETC certification within three years.

Transfer without Degree or Certificate:
Student was identified as transferring to a four-year college or university within 3 years. Students were matched to the National Student Clearinghouse.

Transfer Ready:
Student successfully completed transfer-level MATH and ENGL classes and successfully completed 60 or more units prior within 3 years, and the last VCCCD cumulative GPA was 2.0 or better.

Transfer to Another Community College (CC):
Student was identified as transferring to a two-year college within the three-year time frame. Students were matched to the National Clearinghouse.

Still Enrolled:
Student was enrolled within VCCCD (received at least one transcript notation) after the three-year time frame without having earned an award or having reached transfer-ready status.

Not Enrolled / Unknown Progress:
Student appears to have "dropped out" of college within the three-year time frame. Student did not receive an award, nor were they still enrolled within VCCCD. Student was not successfully matched to the National Clearinghouse.
