#### **Ventura County Community Colleges to Host Cash 4 College Workshops**

*Financial aid staff will assist students in accessing funds for college*

**(Camarillo, Calif.)** January 3, 2024 — Moorpark College, Oxnard College, Ventura College and Ventura College East Campus are holding free Cash 4 College workshops to help students apply for funds to help with college costs. Funds can be used for tuition, books, housing, transportation, childcare, computers and more.

In-person workshops are scheduled for February and March. The workshops are free and open to the community; anyone may attend a workshop at any location and can drop in at any time during the events.

Bilingual financial aid staff will assist students in completing applications for the 2024-2025 school-year Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA). Students can also access information about basic needs support (food, clothing and housing assistance), tutoring, academic counseling, mental health services and other student services.

AB 469 requires school districts to confirm seniors have completed the FAFSA or California Dream Act Application before graduating in 2024. Cash for College events can help students get ahead.
