**Introduction - Student Election Standard Operating Practices for Associated Students’ Positions and Student Trustee Position**

The following student election standard operating practices are to be applied uniformly throughout Ventura County Community College District (VCCCD). Except where noted, the standard operating practices will apply to the Associated Students’ positions at Moorpark College, Oxnard College, and Ventura College, including Ventura College East Campus, and to the Student Trustee seated with the Board of Trustees. (Reference Education Code §72023.5, §76060 and §76061).

Any student interested in running for an Associated Students’ position must complete and electronically submit an [Associated Students Election Application](#). Applicants can also receive assistance in submitting electronic applications from the Associated Students Office/Student Activities Office at each campus immediately following the “Call for Candidates” each election year. Electronic election applications will be available for completion and submission during a specified time period defined in the Call for Candidates.

Associated Students Election Applications must include a section notifying students of the option to run for the Student Trustee position and direct any interested student to contact the Associated Students Advisor or the Chancellor’s Designee for a separate [Student Trustee Election Application](#).

Students advancing to candidacy may run for only one position on all ballots for one election period at the primary campus. A candidate’s “primary campus” is defined as the College campus where the student is enrolled in the majority of their units. All successful Associated Students’ candidates and the successful Student Trustee candidate will assume office on June 1 and serve through the following May 31.

Section II – Student Trustee

Student Trustee Position Description

California state law (Education Code 72023.5) requires the board of trustees of each community college district to have at least one non-voting student member recognized as student trustee. A student trustee has the same general responsibilities as all trustees to represent the interests of the entire community; however, they also provide a student perspective on issues facing the board. Student trustees are not necessarily advocates for specific student issues, just as other trustees are not advocates for single interests. Student trustees provide a student perspective to ensure that students will be served well.

Student trustee responsibilities include, but are not limited to, preparing for and attending board meetings (generally one meeting per month at Ventura County Community College District, unless otherwise scheduled), becoming educated about board and districtwide issues, and participating as a contributing member of the board. A student trustee will receive orientation through the Chancellor’s Designee.

Additional information related to the Student Trustee position will be provided at Candidates Meetings. Student
Trustee candidates are required to attend two Candidates Meetings, one at the candidate’s primary campus and another at the District Administrative Center facilitated by the Chancellor’s Designee.

The student shall be enrolled in and maintain a minimum of five (5) semester units in the District at the time of nomination and throughout the term of service. The student member is not required to give up employment with the District.

The student shall be in good standing academically; shall maintain a 2.0 cumulative grade point average (GPA); not currently be on academic or disciplinary probation; or have been expelled from a college-based associated student government position; shall be eighteen years of age prior to assuming office; and shall have completed a minimum of twelve (12) units, but no more than eighty (80) units as a student in this district prior to taking office as student trustee.

The student member shall be seated with the Board and shall be recognized as a full member of the Board at meetings. The student member is entitled to participate in discussion of issues and receive all materials presented to members of the Board (except for closed session). The student member shall be entitled to any mileage allowance necessary to attend Board meetings and District events to the same extent as publicly elected trustees.

On or before May 15 of each year, the Board shall consider whether to afford the student member any of the following privileges:

- The privilege to make and second motions;
- The privilege to attend closed sessions, other than closed sessions on personnel or collective bargaining matters;
- The privilege to receive compensation for meeting;
- The privilege to serve a term commencing on June 1 – May 31.

No later than the first week of February each year, the Chancellor’s Designee will call together the Associated Students Advisor at each college to determine the Student Elections Calendar. The Election Calendar will then be provided at the Candidates Meetings in the Election Packet.

A new election will be announced for only the college affected by the malfunction and take place immediately following the correction of the malfunction. This instance may delay the announcement of the results for the college affected by the ballot malfunction.

3. The Associated Students Election Ad Hoc Committee at each College is responsible for posting results for Associated Students’ positions. Associated Students Advisors will oversee the process.

4. Only members of the VCCCD IT Department, Chancellor’s Designee, Election Ad Hoc Committees, Associated Student Advisors, and College Presidents or Presidents’ Designees may be present.
5. The candidate receiving the majority of votes (plurality) for each position will be declared the winner.

6. The Associated Students Election Ad Hoc Committee Chairperson and the Associated Students Advisor will prepare and sign a “Statement of Accuracy” regarding the results of tabulated ballots for the Associated Students’ positions.

7. If a tie vote occurs, a one-day runoff election will occur during the following week, as set forth in the Election Calendar, and the Associated Students Election Ad Hoc Committee, shall establish campaign standard operating practices for the runoff election. Associated Student Advisors will oversee the process.

B. Tabulating the ballots for the Student Trustee position:

1. The VCCCD IT Department shall provide the electronic election results for the Student Trustee position to the Chancellor’s Designee by noon on the day following the final day of the election.

2. The candidate receiving the majority of votes (plurality) will be declared the winner by the Chancellor’s Designee.

3. If a tie vote occurs, a one-day runoff election will occur during the following week, as set forth in the Election Calendar, and the Chancellor shall establish campaign standard operating practices for the runoff election.

Section XIV – Appeal Process

A. Violations of the Student Election Standard Operating Practices may result in the disqualification of a candidate.

B. If an alleged violation of Student Election Standard Operating Practices occurs:

1. The Chair of the Associated Students Election Ad Hoc Committee (for Associated Students) or Chancellor’s Designee (for Student Trustee) must receive written, signed notification of any alleged violation of Student Election Standard Operating Practices by the close of polls on the last day of elections, regardless of the need for any runoff election. The complainant must submit a copy of same to the Associated Students Advisor on the campus where the alleged violation occurred (for Associated Students) or to the Chancellor’s Office at the District Administrative Center (for Student Trustee).

2. The Associated Students Advisor or Election Ad Hoc Committee Chairperson, if so designated, or Chancellor’s Designee (for Student Trustee) will notify any candidate charged with an alleged violation within 24 hours of receiving notification from the complainant.

3. The Election Ad Hoc Committees are authorized to enforce Student Election Standard Operating Practices as the standard operating practices relate to Associated Students and Student Trustee elections.

   a. Each charge of an alleged violation shall be decided by a majority vote of a quorum of the Election Ad Hoc Committee members with an Associated Students Advisor present. A candidate charged with a violation shall have an opportunity to refute the violation prior to a decision by the Election Ad Hoc Committee. The complainant has the burden of proof. The Election Ad Hoc Committee will provide its decision via email upon making its decision, excluding holidays and weekends, and with an Associated Students Advisor present.

The candidate charged with a violation of Student Election Standard Operating Practices may appeal a decision determined by the Election Ad Hoc Committee within 48 hours to the Associated Students Executive Board, or in the case of a Student Trustee violation, to the Chancellor. The appeal must be in writing, setting forth the alleged violation by the candidate,
the section of the Student Election Standard Operating Practices alleged to have been violated, and the decision being appealed, with a copy of same provided to the Associated Students Advisor during the same time period. The candidate appealing a decision of the Election Ad Hoc Committee shall have an opportunity to participate in the appeal process. To conclude the appeal process, the Associated Students Executive Board of the Associated Students will provide its final decision via email upon making its decision, excluding holidays and weekends, and with an Associated Students Advisor present. The Associated Students Advisor will be present for all discussions related to the appeal, including the final decision on the appeal.

b. At any level of reviewing a Student Election Standard Operating Practices’ violation, the hearing body (i.e., Election Ad Hoc Committees, Associated Students Executive Board, or Chancellor Designee) may determine:

i. The violation is considered minimal and does not require the disqualification of the candidate, or

ii. The violation is significant and requires disqualification of the candidate.

4. A candidate will be referred to the appropriate Administrator for violations of the College Student Conduct Code. The Administrator will implement guidelines appropriate to violations of the College Student Conduct Code.

C. Challenged Candidates:

1. If a challenged candidate has not exhausted the appeal process prior to the start of voting, the challenged candidate’s name will appear on the ballot and voting will proceed as set forth on the Election Calendar.

2. If a candidate is challenged, or if a challenged candidate’s appeal is completed after the voting, resulting in both a final decision against the challenged candidate and disqualification of the challenged candidate, all votes cast for the disqualified candidate will be voided. If the disqualified candidate would have won the election, the candidate with the next highest vote total shall be declared the winner.

3. If all candidates for a position are successfully challenged for violations of the Student Election Standard Operating Practices, a new election will be held.

D. If a complaint is received alleging a violation of Student Election Standard Operating Practices by the Election Ad Hoc Committees or other students or parties attempting to disrupt the election, the complaint must be made electronically or in writing, signed by the complainant, and delivered to the appropriate College President or Chancellor for review and resolution.

Section XV – Authority
All candidates are bound by the contents of the Student Election Standard Operating Practices and Election Packet. Any language or items not addressed in the Student Election Standard Operating Practices or Election Packet will be interpreted or addressed by the Chancellor and/or Chancellor’s Designee in the case of a Student Trustee election, or by the Election Ad Hoc Committee of each College, with the approval of the Associated Students Advisor in the case of Associated Students’ elections.
