Weekday Evening Cash 4 College Workshops Added at Ventura County Community Colleges

November workshops will assist students in accessing funds for college

(CAMARILLO, Calif.) October 20, 2022 — Moorpark College, Oxnard College, Ventura College and Ventura College East Campus are holding free evening Cash 4 College workshops to help students apply for funds to help with college costs. Funds can be used for tuition, books, housing, transportation, childcare, computers and more.

In-person and online Zoom workshops are scheduled for Nov. 8 and 15, depending on the campus. The workshops are free and open to the community; anyone may attend a workshop on either date and can drop in at any time during the events.

Bilingual financial aid staff will assist students in completing applications for the 2023-2024 school-year Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA). Students can also access information about basic needs support (food, clothing and housing assistance), tutoring, academic counseling, mental health services and other student services.

AB 469 now requires school districts to confirm seniors have completed the FAFSA or California Dream Act Application before graduating in 2023. Cash for College events can help students get ahead.
