Bringing cultures together by sharing information

Amigos805 wishes you a wonderful 2023. Now is the perfect time to use Amigos805's advertising options to reach your Latino audience

2023 has arrived and now is the time to finalize your outreach efforts to the local Latino community for this year with the help of [www.Amigos805.com](http://www.Amigos805.com)

This is the perfect time to reach this fast-growing and brand-loyal audience with advertisements starting at a low of \$50 per month for your square sidebar camera-ready image on every page of our website and in our weekly e-newsletter. Or you can go big with a camera-ready banner advertisement for an affordable \$275 per month. Ask about our multi-month discounts.

Remember, repetition is the key to advertising success, especially when you are trying to reach this important Hispanic Millennial target audience.

## Ventura College Foundation Provides \$776,264 in Direct Student Support During 2021-2022 Academic Year

Ventura College Foundation, a nonprofit organization that provides resources and financial assistance to Ventura College students and school programs, distributed \$776,264 in direct student support during the 2021-2022 academic year and another \$1.24 million to 68 Ventura College programs across 16 department and divisions.

Of the \$776,264 in direct student support, \$756,908 was in the form of scholarships. “The student scholarship distribution is our largest ever,” says Anne Paul King, Ventura College Foundation executive director. “A growing community donor based helped us reach the \$1.24 million mark to support Ventura College programs.”
