UCSB Arts & Lectures announces Viva el Arte de Santa Barbara FREE public performances return to Santa Barbara County for Jan.- May 2023

SANTA BARBARA — ¡Viva el Arte de Santa Bárbara! (Viva) is back in 2023 for the first time since 2020! Since its establishment as a free community arts program in 2006, Viva has brought together people of diverse backgrounds from across Santa Barbara County to celebrate the music and dance of Latin America. The program, which has been on hiatus due to the Covid-19 pandemic, returns in 2023 with FREE performances and community outreach events from four stellar ensembles, including Mariachi Garibaldi de Jaime Cuéllar (Jan. 13-15), Grandeza Mexicana (Mar. 17-19), Tres Souls (Apr. 14-16), and Las Cafeteras (May 19-21).

“At Arts & Lectures, we are thrilled to resume the exciting and deeply rooted ¡Viva el Arte de Santa Bárbara! program at multiple locations throughout the region,” says Miller McCune Executive Director Celesta M. Billeci. “These free community events wouldn’t be possible without our partners The Marjorie Luke Theatre, the Guadalupe-Nipomo Dunes Center, and the Isla Vista School Parent Teacher Association, and the many community coordinators and volunteers. From Carpinteria and Santa Barbara to Isla Vista, Lompoc, Guadalupe and New Cuyama, people will again enjoy the best ensembles from Latin America and the rich traditions they represent.”
